NorthWest Arkansas Housing Coalition

What is the mission of the NWAHC?

Our mission is to create a seamless system in NorthWest Arkansas to stabilize the lives of homeless and near homeless people and to develop, with existing organizations, a continuum of care that provides for the basic needs of every individual.

Exactly what is a Continuum of Care?

- It is a comprehensive community plan to organize and deliver housing and human services to individuals who are homeless or near homeless as they move through the rehabilitation process.

What are the benefits of joining the NWAHC?

- The Coalition gives *voice* to the community's needs — a loud, unified, compelling voice.
- The more fully the Coalition represents community needs, the more effective it can be as it works for change.

Annual membership dues:

\$25 per Individual

or

\$50 per Organization

Corporate memberships available.
